

OAMES Medicaid Training Seminar

March 12, 2015 and September 10, 2015
Quest Business Center • Columbus, OH

OAMES is proud to continue this exceptional forum for learning and networking focused exclusively on HME policy and billing in both the Medicaid fee-for-service and managed care programs. The event is held in collaboration with the Ohio Department of Medicaid and the Ohio Association of Health Plans and provides the only source for HME-specific training by Ohio Medicaid staff and plan representatives.

Topics covered will include:

- Industry update by OAMES executive director Kam Yurich including association activities, state and federal regulatory and legislative issues;
- Medicaid fee-for-service sessions:
 - Policy update on Medicaid five-year rule review for DME; what's in the pipeline for 2016;
 - Prior authorization (PA) update by ODM's Clinical Review team on PA issues and troubleshooting tips;
 - Kathy Frye and Ava Cottrell, ombudsmen with the Medicaid External Business Relations Section, present an all-inclusive update on the Medicaid program including the latest on the ICD-10 transition, provider enrollment, eligibility, coordination of benefits, and other key topics of interest to providers;
- MyCare Ohio sessions:
 - Representatives from Aetna Better Health, Buckeye Health Plan, CareSource, Molina Healthcare and United Healthcare will be in attendance. We've improved the educational format! Each of the five plans will be making separate presentations for more efficient, targeted discussions. See details in next section.

New and improved MyCare Ohio sessions!

- **New format!** Based on attendee feedback, we're changing the managed care session from a panel to separate sessions. The plans will repeat their presentation twice to accommodate attendees who work with multiple plans. If you contract with 3 or more plans, please consider bringing additional staff. We're offering a deep registration discount for 3 or more attendees to minimize your costs.
- **Improved content!** Each plan will have unique elements to their updates but OAMES has developed an agenda for all plans to use as a general guide so that key HME information is covered. Highlights include:
 - Prior authorization – PA search tools, waiver requirements, non-PAR providers and max benefit limits
 - Claims processing guidelines – wheelchair repairs, POS requirements for CRT/wheelchairs, capped rentals, modifiers, oxygen billing and testing guidelines, reconsiderations and corrected claims and ICD-10 update
 - Plan resources – website, web portal, provider manual, how-to's for escalating issues, who to contact
