

OAMES Medicaid Training Seminar

March 12, 2015 and September 10, 2015
Quest Business Center • Columbus, OH

Calling all Ohio Medicaid HME providers! OAMES will proud to host our bi-annual training programs focused exclusively on HME billing and policy information in collaboration with the Ohio Department of Medicaid and the Ohio Association of Health Plans. These meetings are an exceptional day of learning and networking and offer the only source for HME-specific training presented by Ohio Medicaid staff.

Topics covered will include:

- Industry update by OAMES executive director Kam Yurich including association activities and news from our state and national legislatures on issues;
- Medicaid DME rules under review by ODM Policy staff and in the pipeline for 2015;
- Latest developments on the Medicaid wheelchair rule and complex rehab technology discussions;
- Update by Trina Hazley, RN, supervisor of ODM's Clinical Review Section, and her team on prior authorization issues and troubleshooting tips;
- Kathy Frye, ombudsman with the Medicaid External Business Relations Section, returns to present a comprehensive update on the Medicaid program including the latest on the provider enrollment, eligibility, coordination of benefits, MITS and other key topics of interest to providers;
- MyCare Ohio managed care plans will be in attendance to present a DME-specific update and provide a forum for open discussion and question and answer period. Representatives attending are from Aetna Better Health of Ohio, Buckeye Health Plan, CareSource, Molina Healthcare of Ohio and United Healthcare Community

BONUS! Special hour on Medicare hot topics!

Kam Yurich, OAMES executive director, will kick-off the seminar with a brief OAMES update highlighting developments in Washington DC on key bidding legislation and a quick overview of the state budget changes proposed by the Kasich

Administration affecting Medicaid and homecare services. We're also bringing back OAMES member Judy Bunn, Compliance Manager with Medical Service Company, who is now Chair of the busy American Association for Homecare's Regulatory Council for an hour session on critical Medicare issues. This Council represents the DME industry before CMS and other regulatory agencies working on numerous Medicare regulations and initiatives affecting the benefit. Judy will bring us the latest news on several issues on the Council's agenda including the following: five elements of WOPD definition, PIM language revision, signature date on E.H.R. orders, date stamps, face-to-face requirement change of supplier and HCPCs recommendation, amendment to medical records and status of prior authorization expansion for DME.
